

# CVC Winter Meeting

## November 4, 2010, 8:30am

### Alcoa Lodge, Goose Creek

Come network with your colleagues who are committed to workplace volunteerism; share and learn about best practices and challenges such as year-round employee volunteerism strategies, written policies, tracking and reporting. The community focus will be veterans' issues. What services are available and how can volunteers positively impact the issues faced by this population?

In the meantime, please complete the baseline survey at <http://www.surveymonkey.com/s/TUW-CVC-baseline-survey>. Help our community learn where we are and how we can grow in terms of workplace engagement and employee volunteerism.
