

How Trident United Way Helps Your Company

GIVE

Invest in Your Community

Run a Trident United Way campaign and give your employees the option of investing in their community. A little ingenuity makes it **fun and morale-building** at the same time.

Lend an Employee.

Get Back an Executive.

Loaned executives help Trident United Way raise resources during 11 weeks in the Fall. The **Dale Carnegie Training** and public speaking opportunities hone their skills and connect them with other important business people.

Gain Community Recognition

For \$5,000, your company can become a Trident United Way benefactor and **get your name in front of thousands** of high-asset, community-minded people.

ADVOCATE

Give Your Employees A \$4,800 Raise

Educate qualified employees about **free tax preparation** sites for people of modest income. United Way volunteers can help your employees apply for the **Earned Income Tax Credits** that they might not know about. It's worth up to \$4,800 to qualifying families.

Personal Problem Solving

Do your employees know where to turn if they need help? Give them information about Trident United Way's **2-1-1 Hotline**, the resource in the Lowcountry to give or get help. Just dial 2-1-1.

Provide Parenting Information

Trident United Way can provide information about early childhood health and education to new parents. **We'll give them their first book** and help them find child care.

Promote Disaster Readiness

Trident United Way's 2-1-1 Hotline offers myriad **training opportunities** for you and your employees.

VOLUNTEER

Find Great Volunteer Opportunities

Visit our website (tuw.org) to find **hundreds of opportunities** for employees to improve the community in which they live and promote your company in the lowcountry.

Build a Team on 9/11

Participate in **the world's largest Day of Caring** and watch your employees collaborate on something fun and fulfilling that stretches them beyond the normal routine.

Start Your Year on the Right Foot

Sign up a team of runners and walkers to participate in the team division of Trident United Way's **Resolution Run** on Jan. 2, 2010. Great food, prizes, entertainment and a healthy start to the year.

Develop Educated Future Employees

Sponsor a **Links to Success** program at one of 10 area schools. Your employees will develop a sense of accomplishment helping children achieve academic and life success.
