Thanks to generous members of our community like you, the Tri-County Reading by Third Project has helped first and second graders who were falling behind in reading achieve an extra 1/3 to 1/2 year of growth. Because of you, they are catching up with their peers. Let’s keep the momentum going!

WHAT DO THE FACES OF CHANGE LOOK LIKE IN OUR COMMUNITY?

THEY LOOK LIKE YOU.

IT’S ON ALL OF US
United, Our Health, Our Future: Tri-County Health Improvement Plan charts a clear path for building healthier individuals, families and communities. In turn, the implementation of the five-year plan, will strengthen our regional economy. Let’s keep the momentum going!

**What do the faces of change look like in our community?**

They look like you.
