## WE ARE THE COMMUNITY CONNECTOR

What connects us? A deep belief that people want to help each other and an intuitive understanding that education, financial stability and health are the cornerstones of a good life. If we improve those foundations together, we build a stronger foundation for community and individual success.

Trident United Way and its partners provide local solutions that will make a difference for thousands of families in Berkeley, Charleston and Dorchester counties.

“211 Resource line and other programs that you contribute to have helped remind me that I AM important, I AM of value, I AM worthy, and I AM empowered. Thank you for throwing me a safety line and being a beacon of light. For helping me to get anchored with WHO I AM and WHAT I AM. For giving me the courage to BE ME. For giving me a family of support through my highest seas and darkest storms. Thank you for believing in me. Thank you for giving me a HAND UP!”
