## VOLUNTEER OPPORTUNITIES

Join the movement. Be a changemaker. Volunteer United.

Trident United Way promotes a culture of volunteerism by engaging individual volunteers and corporate partners through valuable service opportunities.

Volunteering is a great way to give back to your local community and create meaningful connections.

### Skills-Based Volunteering

Project based opportunities where volunteers loan their expertise to nonprofit organizations that may not have access to specialized skill sets.

### Year-Round Volunteer Opportunities

Our year-round volunteer opportunities are intended for volunteers and groups to complete on their schedule and at their location. Contact **[volunteer@tuw.org](mailto:volunteer@tuw.org)** with any questions.

- **Birthday in a Box:** A fun and creative project assembling ready-made birthday celebrations for families in need.
- **Seasonal Kit Assembly Projects:** Sort, prepare and assemble kits to be distributed to nonprofit agencies and/or schools in need. Projects can be completed in your office, during a meeting or as a half-day event.
- **Baskets of Hope Household Supply Drive:** Help provide essential household supplies to families and individuals ensuring they have access to basic necessities that promote health, comfort and dignity. We aim to collect and distribute household essential items that are not eligible to be purchased with SNAP benefits such as cleaning products, toiletries and other everyday essentials to support those facing financial hardship.
