

## Trident United Way Community Garden Initiative Application

**Thank you for your interest in Trident United Way's Community Garden Initiative.**

Please answer the following questions to determine eligibility for this opportunity. If the basic criteria are met, you will be directed to the application questions.

If you have any questions about this opportunity, please contact Joey Current at [jcurrent@tuw.org](mailto:jcurrent@tuw.org).

**\* 1. What is the name of the organization or group that you represent?**

**\* 2. Please check the county the Organization or Group is located in:  
(If serving multiple counties, please select the county you applying in. If you would like to apply for more than one county, you will need to do an application for each county.)**

**This initiative is only available in Berkeley, Charleston or Dorchester counties.**

- Berkeley
- Charleston
- Dorchester

**\* 3. Contact Information**

Name	<input type="text"/>
Title or Role	<input type="text"/>
Email Address	<input type="text"/>
Phone Number	<input type="text"/>

**\* 4. Is the land for your community garden large enough to hold five (5) 4ftx4ft raised beds with seating, irrigation system, compost bins, and shed?**

- Yes
- No

**\* 5. Do you have a water source nearby the proposed garden space (municipal water or well)?**

- Yes
- No

**\* 6. Will the fruits and vegetables grown in your community garden be given to local community members for free?**

- Yes
- No

**\* 7. Do you own the land where the garden will be built?**

- Yes
- No

**8. Please upload either proof of ownership of the land OR a signed statement from the land's owner indicating you have permission to access the property for a community garden.**

***If you do not have the documentation at this time, you may email the documentation to [funding@tuw.org](mailto:funding@tuw.org) any time before December 9th. Documents emailed after December 9th will not be accepted.***

*Questions below will appear if applicant is qualified*

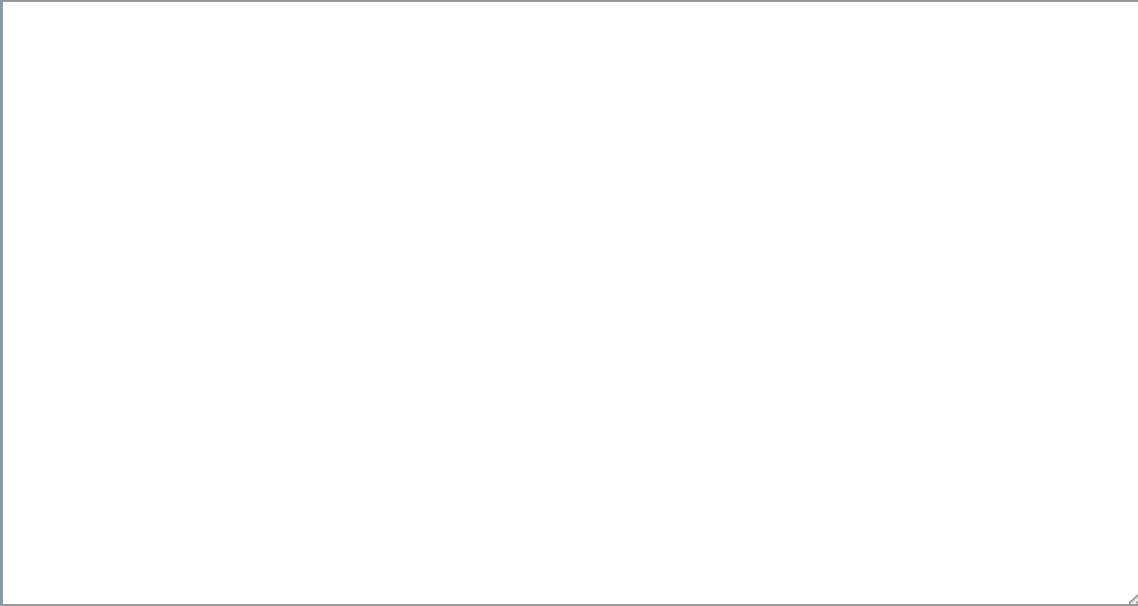

**\* 9. What is the address of the land you want to build a community garden on? (If the land does not have an address, please give the closest address possible)**

**\* 10. Describe the land and the surrounding structures, buildings, and neighborhood where you want to build a community garden. Please include how the proposed land is currently being used.**

**\* 11. Please explain how your space will become an inviting place for community members to visit or volunteer at your garden. Consider walkability, parking, accessibility, etc.  
Please include how community members will visit and/or volunteer at your garden.**

**\* 12. Why does your community need a community garden?**

**\* 13. Who will serve as the Garden Coordinator?**

**Please provide their name, contact information, and current role in your community/organization.**

***Note: The Garden Coordinator will serve as the point of contact for TUW and as community garden champion to maintain volunteer support, garden usage, and long term success of the garden. They will organize the planting, weeding, watering, harvesting, and distribution of the produce.***
