Available 24/7 – Free and Confidential Trident United Way's 211 Helpline

211 is an easy telephone number that connects people with important community services to assist people in crisis.

It is a multi-language resource for finding assistance in your local community and can offer information on:

- Affordable childcare and after-school care
- Health services
- Utility assistance
- Food, clothing and housing
- Counseling and support groups
- Services for seniors and the disabled

Calls from Tri-County residents to the helpline remained steady in 2023: more than 13,000 calls per year or more than 1,000 calls a month on average.

The service is also available by texting "HELP" to 211211 or going online to [SC211.org](https://www.sc211.org).

The free service is thanks in part to support from Trident United Way donors who are UNITED to serve our community.
