BENEFITS OF LEAD UNITED

Participants completing five or more sessions will receive a certificate of completion.

Understand the expectations for service on a nonprofit board

Deepen your knowledge about challenges our community faces

Gain skills needed to successfully serve on a nonprofit board

Hosted in partnership with

Lead United is a comprehensive community leadership and nonprofit board development program of Trident United Way. The purpose of Lead United is to equip participants with necessary skills to serve on a nonprofit board of directors.

This six week program focuses on educating professionals and skill-building for board-level service opportunities. Additionally, participants will increase their understanding of community challenges for deeper engagement.

During the program, participants will learn from content experts at Trident United Way and a myriad of community partners and hear from a panel of current board members.

Prepare you for interpretation of nonprofit accounting and financials

Network with civic-minded professionals from a variety of sectors

Prime you to seek future board service matching your passions
